

At Sacred Heart Primary School, we believe PE & Sport to be an essential part of education for every pupil. We also believe that the provision of high-quality PE and sport has the potential to change people's lives for the better and prepare them for a healthy life in the future.

At Sacred Heart we aim to increase participation in sports and PE and deliver healthy lifestyles by:

- developing a 'fitness for life' ethos across the whole school community
- aiming for each child to be a healthy weight
- improving emotional health and well-being
- improving the quality of teaching PE
- developing confidence in staff with the teaching of PE across the school
- promoting the importance of a healthy lifestyle to all pupils through healthy schools plus award.
- continuing to build on the legacy of the 2012 Olympics and recognize the importance of upholding the Olympic and Paralympic Values across the school
- Building on the 2022 commonwealth games and the importance of inclusion for all abilities.
- Encourage competitive sport across the school through competitions
- promoting competitive sport outside of school
- delivering equal opportunities for all

We have welcomed the Government's announcement to provide additional funding to improve the provision of physical education (PE) and sport in primary schools. We are committed to using this resource in developing high-quality PE lessons and facilities, alongside greater opportunities for sporting competitions and clubs for all our young people.

Sport Premium Grant Allocation

Funding for schools will be calculated by the number of primary aged pupils (between the ages of 5 and 11) as at the annual census.

For the academic year Sept 2022 - 2023 we will receive an amount of £17,820

What does the Sport Premium mean for my School?

'Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this' (DfE June 2013).

We will continue to develop out Sport Premium to raise standards and participation levels in PE throughout the school.

Sports Premium financial statement 2022 – 2023 £17,820

Outdoor solar powered stopwatch £1000.00

Outdoor stopwatch installation £399.00

Sports competitions	£150.00
Backpacks	£102.00
Sports equipment	£249.00
Mobile Adventures (subsidising outdoor activities on Residential trips).	£3,954.40

PE spending has been fully taken advantage of this academic year, as we feel it is the right time for our children to flourish and re-engage fully with physical activities after all of the restriction Covid-19 and lock down imposed on us all. We have invested in continuing to build on our vision to be a school with a strong cycling culture. This coming academic year we will be focusing our attention on developing our lunchtimes even further with regards to OPAL, so that every child can enjoy an active and stimulating outdoor experience, which we feel as a school will help with both mental and physical well-being.
