

Welcome to Nursery!

My name is Mrs Harris and I am going to be your teacher in September.

I can't wait to meet you! We are going to have so much fun together! There are so many exciting things for you to explore and learn in your new school. You will make lots of new friends and create some very special memories.

When I'm not at school, I love watching Peppa Pig and Peter Rabbit with my little boy. Our favourite books to read together are 'The Gruffalo' and 'We're going on a bear hunt.' Below are pictures of some books we will read together in Nursery.

Welcome to Nursery!

My name is Mrs Adams and I am going to be working with you in September.

I can't wait to meet you! We are going to have so much fun together!

I love the creative area in our classroom. When I'm there, I like to help children make beautiful costumes, paint pretty pictures and draw. I can't wait to help you make something amazing!

My favourite author is Julia Donaldson. I love all of her books! Here are a few books we will read together in Nursery.
