

18th March 2020

Dear families,

School work to do at home in the event of school closure

As per the letter we sent yesterday, **no school closures have been advised as yet** so school is open as normal. Today we are sending home the pack of learning activities for your child to complete at home if school is closed. The suggested timetable we sent yesterday still stands and below is a list of what children in year 5 should complete:

Every day

- 1-2 pages from CGP Grammar, punctuation and spelling question booklet
- 2-4 pages from CGP targeted maths booklet
- 30 minutes reading (school reading books or, if your child has finished reading those, another book of their choice)
- 15 mins times tables practice
- 4 a day maths (make your own calculations up to practise things that you have already been taught) and choose a word of the day perhaps from the reading book.
- 1 Handwriting page
- PE - get moving for **at least** half an hour (BBC super movers is excellent, as is Go Noodle)

Every other day

- Reading comprehension unit from Literacy Activity Book
- Fill in a reading journal within your blue work book and make a note of any new vocabulary and their definitions
- Writing for at least 30 minutes – you can write about anything but some suggestions are a diary, a story or a factual report about something that interests you.

Learning in other subjects – this can be spread out across the week

Science experiments

Art

Research on a topic linked to History or Geography

Extra Learning

Anyone who wants to complete extra work can use the extra textbooks which Mrs Nesbit has sent home with the children.

Yours sincerely,

Barbara Brown
Head Teacher
