

18<sup>th</sup> March 2020

Dear families,

### School work to do at home in the event of school closure

As per the letter we sent yesterday, **no school closures have been advised as yet** so school is open as normal. Today we are sending home the pack of learning activities for your child to complete at home if school is closed. The suggested timetable we sent yesterday still stands and below is a list of what children should complete **each day**.

### YEAR 3

#### Every day

- 1-2 pages from CGP GPS booklet
- 1-2 pages from CGP Maths booklet
- 1 page from CGP Handwriting
- 30 minutes reading (school reading books or, if your child has finished reading those, another book of their choice)
- 15 mins times tables practice
- 4 a day maths (make your own calculations up to practise things that you have already been taught)
- PE - get moving for **at least** half an hour (BBC super movers is excellent, as is Go Noodle)

#### Every other day

- Reading comprehension unit from CGP booklet
- Fill in reading journals and make a note of any new vocabulary and their definitions
- Writing for at least 30 minutes – you can write about anything but some suggestions are a diary, a story or a factual report about something that interests you.

#### Learning in other subjects – this can be spread out across the week

Science (experiments linked to forces and magnets)

Art (e.g. build a pyramid, create a mosaic)

Research on a topic linked to History (Ancient Egyptians or Greeks)

#### Online learning

- BBC Bitesize
- Times Tables Rockstars
- Maths games (e.g. Hit the button)
- Jane Considine – The Write Stuff (daily Literacy lessons)
- Be Internet Legends
- National Geographic Kids
- CAFOD

Convent Road  
Fenham Hall Drive  
Newcastle upon Tyne, NE4 9XZ

### EXTRA LEARNING

Anyone who wants to complete extra work can do a page or two from the Collins Maths textbooks.

Yours sincerely,

Barbara Brown  
Head Teacher
